Book a Party at BDG

Celebrate your child's upcoming birthday with a stress-free party inside our gym

After years of planning parties for kids, we've learned there are only three key ingredients needed to make an event successful:

- **Give kids space to PLAY**
- **Give kids space to EAT**
- **Let someone else clean up!**

It's the best gift for them, and for YOU. Parties are available on Saturdays. Scan the QR code to learn more and book your event.

Right Start Preschool Registration Now Open!

Right Start Kids Academy is our academic preschool program for children ages 2-5.

Depending on the child's age, parents may choose from our two through five day options, focusing on developing the whole child.

In addition to a proven academic curriculum, students will participate in at least one gymnastics class each week to assist in gross motor development.

For pricing and program questions please email rightstarts@blackdiamondgym.com
